

# MT. PLEASANT IRIS FARM 2018 CATALOG

[www.mtpleasantiris.com](http://www.mtpleasantiris.com)

**A NATIONAL DISPLAY GARDEN OF IRIS ENSATA  
(JAPANESE IRIS)**

**Chad Harris Hybridizer**

**Mailing Address:**  
Mt Pleasant Iris Farm  
Post Office Box 346  
Washougal, Washington 98671-0346

**Location of Farm**  
12 Marble Road  
Washougal, Washington 98671  
SR 14 at MP 23

**Phone: 360-835-1016**

The garden is open for public viewing April 27 to July 8: Thursday, Friday, Saturday and Sunday: 8:00AM to 5:00PM. Clubs, large groups and other days of viewing are welcome by appointment.

It is best to see the bloom and plant in person. It is impossible to describe an iris bloom in a few words and do it justice. Please use the photos as a guide to help clarify the written word.

## **GREATER PORTLAND IRIS SOCIETY**

Dates for your calendar: Sunday, May 6–Early Iris Show, June 10–Late Show

**The garden will be closed on these dates as I will be manning the shows.**

Information for the shows can be found at [www.greaterportlandirissociety.org](http://www.greaterportlandirissociety.org) events calendar or contact me.

You and your family are invited to join the Greater Portland Iris Society, an affiliate of the American Iris Society. Only \$12.00 per household will put you on a mailing list regarding upcoming meetings, with guest speakers focusing on the many types of iris. We also have potlucks, shows, club plant sales, and public plant sales.

## **ORDERING AND SHIPPING**

Shipping and handling fees are for Continental U.S. and Alaska only. Sorry no International Orders.

All orders are accepted subject to the availability of stock. Your check or money order must be sent with your order. Orders will be processed in the order received; you'll be immediately contacted, by e-mail or phone.

*Please order early for best selections, first orders in first to be taken out of inventory.*

We ship August and September. Try not to request a date when your temperatures will be above 95°F but at least a month before your first frost. We ship at the first of the week so that your order will be ready for you to plant on the weekend. Plants are shipped bare root.

Inspected and cleared each year to be disease and pest free by the Washington State Department of Agriculture, we ship healthy true to name stock. Complaints about conditions of stock must be sent to us immediately after package is received. We cannot be responsible for loss over the winter or your growing practices. Plants may not bloom the first year after transplanting; if they do it will not be typical of a two or three year old plant.

**Early-Mid Season**  
**Above Soft Fountain Foliage**  
**Many Buds held with Dark Purple Spathes**  
**\$25.00 plus Shipping and Handling**

# BEARDED IRIS

Over the years I have been selecting for show quality cut blooms and plants that are more disease resistant in the Columbia River Gorge, USDA Zone 8, with an annual rain fall of 90-plus inches.

Culture: Full sun, good air circulation, moderately fertile soil, good drainage, lifting and dividing every three years will give you strong plants with show stems and bloom.

Deciduous and summer drought tolerant.

**S** – Standards, the top half of the flower

**F** – Falls, the bottom half of the flower    **B** – Beard, the fuzzy appendage on the fall

## STANDARD DWARF BEARDED (SDB)

**All \$ 4.00 each**

Growing into a tight mound with many blooms 8 to 16 inches tall this iris is considered by many to be the perfect rockery iris. These need a good winter chill to bloom properly. Peak bloom for us is mid to late April. Zone 3-8 (9?)

<b>Abuzz With Charm</b>	(Coleman '13) S; buff, F; Grape with darker spot, B; frosty purple <i>Fragrant; sweet</i>
<b>Baby Soft</b>	(Black '04) S and F; light mauve pink blend, B; blue, <i>Fragrant; vanilla</i>
<b>Bad Boys</b>	(Miller '11) S; dark purple, F; light yellow banded dark purple, B; white tipped violet, gold in throat, <i>Fragrant; light and sweet</i>
<b>Ballet Lesson</b>	(Niswonger '93) S and F; peachy pink, B; white tipped pink, <i>Fragrant; citrus</i>
<b>Ballistic</b>	(Black '02) S; dark burgundy, F; yellow ground heavily speckled dark burgundy with a burgundy band, <i>Fragrant; grape</i>
<b>Beckoning</b>	(Johnson '13) S; purple, F; black red, B; gold, <i>Fragrant; cinnamon</i>
<b>Bluebeard's Ghost</b>	(Black '06) S and F; white, B; blue
<b>Clear Blue Sky</b>	(Johnson '12) S and F; mid blue, B; white, <i>Fragrant; light floral</i>
<b>Dark Rings</b>	(Gatty '93) S and F; white with a dark blue violet border, B; pale blue, <i>Fragrant; light spice</i>
<b>Death By Chocolate</b>	(Bianco '02) S; chocolate, F; coffee, B; rust, <i>NOTE: strong root beer fragrance</i>
<b>Dedicated</b>	(Black '11) S; light lemon, F; light lemon with greenish spot, B; saffron, <i>Fragrant; light sweet</i>
<b>Easter</b>	(Keppel '96) S and F; Soft yellow with a light blue-lavender inner band, B; yellow
<b>Eye Of The Tiger</b>	(Black '08) S; peach gold, F; peach gold with a bright raspberry spot, B; shrimp pink
<b>Fido</b>	(Black '10) S and F; light yellow edged pale violet, B; brass
<b>Firestorm</b>	(Smith '94) S; red brown, F; yellow with a red brown boarder, B; gold, <i>Fragrant; spice</i>
<b>Honeylove</b>	(Craig '04) S and F; yellow with brown rim, <i>Fragrant; sweet honey</i>
<b>Killarney Green</b>	(Niswonger '02) S and F; mustard green, B; purple, <i>Fragrant; sweet floral</i>
<b>Last Go Around</b>	(Loveland by Price '11) S and F; off white etched blue violet, B; pale violet gold in throat
<b>Matador's Cape</b>	(Black '13) S and F; dark black cherry' B; orange, <i>Fragrant; sweet</i>
<b>Meow</b>	(Black '08) S; light blue violet, F; red violet spot, B; gold
<b>Ocean Pearl</b>	(Black '08) S and F; blue with silver gilded edges, B; white, saffron in throat, <i>Fragrant; Light floral</i>
<b>Open Your Eyes</b>	(Black '10) S; white, F; blue-violet with a white rim, B; white

<b>Web Designer</b>	(Price '08) S; pale gold with a green cast, F; brown with a green cast, dark brown veins, distinctive center line dart, B; white dusted gold, Note: very vigorous

## INTERMEDIATE BEARDED (IB)

**All \$ 5.00 each**

This is the next class to bloom, peaking early mid-May. Growing to a maximum height of 27 ½ inches. These irises are great for the city garden or for a tighter spot than a Tall Bearded can fit. Zone 3-8

<b>Alberta Clipper</b>	(Black '07) S and F; ruffled sky blue, B; blue, gold dusted
<b>Carriwitched</b>	(Innerst '93) S and F; white ground heavily banded purple, B; tipped bronze
<b>Cee Jay</b>	(Lankow '92) S and F; white ground banded deep blue-violet, B; violet
<b>Country Dance</b>	(E. Jones '97) S and F; old rose pink flushed with lilac tones, B; tangerine tipped lilac
<b>Dark Waters</b>	(Aitken '92) S and F; dark deep violet, B; light violet
<b>Dazzling</b>	(Black '08) S; icy blue white, F; dark violet with a blue cast, icy blue white rim, B; saffron
<b>Delirium</b>	(Smith '01) S; smokey gold, F; dark red violet with gold edge, B; red
<b>Finsterwald</b>	(Innerst '94) S and F; medium yellow with large brown spot on F, B; orange
<b>Fortune Hunter</b>	(Black '04) S and F; peach gold, B; orange
<b>Garnet Slippers</b>	(Keppel '05) S; burgundy, F; red black, B; red
<b>Lemon Pop</b>	(Lauer '90) S and F; Lemon yellow, B; white tipped yellow
<b>Man's Best Friend</b>	(Black '08) S; smokey blue violet, F; red brown with a blue rim, B; saffron
<b>Maui Moonlight</b>	(Aitken '87) S and F; soft lemon yellow
<b>Morning Show</b>	(Ensminger '88) S and F; dark ruby red, B; red
<b>Prince Of Burgundy</b>	(Niswonger '93) S; dark burgundy, F; white edged in burgundy
<b>Protocol</b>	(Keppel '96) S; white, F; bright yellow, B; white ends yellow in throat
<b>Ruby Slippers</b>	(Keppel '02) S; burgundy red, F; red black, B; Orange red
<b>Santa's Helper</b>	(Lankow '97) S and F; white, B; orange red
<b>Wrangler</b>	(Stahly '97) S; dark amethyst violet, F; violet with red-brown rim, B; brown

## MINIATURE TALL BEARDED (MTB)

Blooming mid to late May this dainty flower is on a slender wiry stem, 16 to 27 1/2 inches tall. Zone 3-9  
 What a Miniature Rose is to a Tea Rose, the Miniature Tall Bearded is to the Tall Bearded iris.  
 All plant parts, stem, and flower in proportion to each other, just smaller.

<b>Ah Yes</b>	(Fisher '02) S; light violet, F; dark violet, B; orange	\$5.00
<b>Black Cherry Sorbet</b>	(Harris '16) S; dark red, F; off white heavily veined red, B; gold	\$10.00
<b>Butterscotch Wine</b>	(Bunnell '05) S; old gold, F; dark red black, B; yellow	\$5.00
<b>Candy Basket</b>	(Harris '16) S; warm caramel, F; white heavily veined red, B; gold	\$10.00
<b>Cheerful Doll</b>	(Miller '05) S and F; orchid, B; orange pink	
<b>Connect The Dots</b>	(Miller '01) S; pale blue violet, F; off white heavily stippled blue violet, B; white dusted gold	\$5.00
<b>Crystal Ruffles</b>	(Dunderman '86) S and F; white, B; white to light orange	\$5.00
<b>Dividing Line</b>	(Bunnell '05) S; light blue violet, F; bright plum with a lighter violet rim a striking central mid line, B; white dusted gold	\$5.00
<b>Dodger</b>	(Miller '07) S; old gold, F; off white veined red violet, B; yellow	\$5.00

## BEARDLESS IRIS

### SIBERIAN IRIS (SIB)

**All \$10.00 each**

Graceful flowers on a grass-like foliage plant. These hybrids are from species native to central Europe; they are very strong, hardy and adaptable in the perennial bed. Tetraploid (tet.) plants generally have stockier looking flowers, foliage and stems than diploids (dip.). Peak bloom for us is late May along with the Tall bearded iris. Zone 3 – 8 (9?)

<b>Banish Misfortune</b>	(Schafer/Sacks '99) Dip. 45", Bluebird blue with a large gold signal, early with a long bloom season
<b>Blueberry Fair</b>	(Hollingworth '97) Tet. 32", Bitone rich blue violet, very ruffled
<b>Careless Sally</b>	(Schafer/Sacks '96) Dip. 20", Light orchid with turquoise styles and gold signals, charming
<b>Dear Currier</b>	(Dunlop '05) Tet. 30", Ruffled dark grey blue with violet wash, upright styles are much lighter and showy
<b>Fresh Notes</b>	(Schafer/Sacks '04) Dip. 20", F; Bright blue with lighter styles and standards, crisp gold signal
<b>Great Falls Love</b>	(Cole '07) Tet. 32", S; ruffled deep violet, F; ruffled darker violet with blue undertones <b>Note:</b> <i>large 4 inch flowers</i>
<b>Joyce Cole</b>	(Cole '06) Tet. 30", Very ruffled creamy white with a smooth gold throat, blooms late in season
<b>Kiss The Girl</b>	(Schafer/Sacks '04) Dip. 28", S; butter yellow, F; bright daffodil yellow
<b>Pansy Purple</b>	(McEwen '71) Dip. 32", A delicate looking flower of pansy purple in color, a garden favorite
<b>Reprise</b>	(Warburton '87) Dip. 32", Medium Blue with red violet tones that sets a second bloom 2-3 weeks after the first if grown well

## SIBERIAN CONTINUED

<b>Roaring Jelly</b>	(Schaefer-Sacks '92) Dip. 36", Blends of red and blue violet with lighter standards and styles, Gold signal
<b>Ships Are Sailing</b>	(Schafer/Sacks '98) Dip. 35", Wide, light ruffled flowers are shades of medium blue, tall and stately
<b>Somebody Loves Me</b>	(Hollingworth '98) Tet. 32", Ruffled medium blue, large white blaze
<b>Summer Sky</b>	(Cleveland '35) Dip. 24", Pale blue with white styles. Small and delicate looking, also very vigorous and floriferous.
<b>Swans In Flight</b>	(Hollingworth '06) Tet. 33", White self, <b>Note:</b> very large flowers
<b>Teal Velvet</b>	(McEwen '81) Tet. 32", Dark velvety royal purple, stately clumps.
<b>Three Hand Star</b>	(Schafer/Sacks '01) Dip. 29", S; medium blue, F; dark blue violet, wide round flower
<b>Trim The Velvet</b>	(Schafer/Sacks '95) Dip. 40", Rich blue purple with a white rim on the falls, very tall and stately
<b>Twelfth Knight</b>	(Warner '02) Tet. 32", S; deep purple, F; purple with blue wash, white rim, very large flower

## IRIS LAEVIGATA

Found native to China ("Yian-zi-hui") and Japan ("Kakitsubata" little rabbit ears). A true water iris, *I. laevigata* will look its best growing in shallow water or a large container with a deep reservoir filled with water. However it can also thrive in a moist garden setting such as a rain garden receiving 1-2 inches weekly. All are deciduous plants growing from 24 to 36 plus inches tall with 4 to 6 inch flowers, blooming in late May with Siberian and Tall Breaded iris. Zone 3-8 (9?)

<b>Blue Rivulets</b>	(Harris '13) 3F; white with bright blue veins, striking	\$10.00
<b>June Lake</b>	(Harris '18) 3F; summer sky blue, <b>New Introduction</b>	\$25.00
<b>Lakeside Ghost</b>	(Harris '12) 6F; light blue speckled darker, red violet style arms	\$8.00
<b>Monstrosa</b>	6F, White, pale blue wash and speckles	\$8.00
<b>Regal</b>	(Perry Farm, 1960) 3F; Rose magenta	\$8.00
<b>Royal Cartwheel</b>	(Reid, 1981) 6F; Navy blue violet with white center line	\$8.00
<b>Semperflorens</b>	(Perry '19) 3F; Bright blue violet	\$8.00
<b>Variegata</b>	(Tubergen, 1916) 3F; Blue violet, green and white stripped foliage	\$8.00
<b>Violet Constellation</b>	(Harris '18) 3F; white speckled violet, <b>New Introduction</b>	\$25.00
<b>Whispering Clouds</b>	(Harris '17) 3F; white very faint violet markings, full round form	\$20.00

## SPECIES IRIS

<b>Iris graminea</b>	Native to central and southern Europe. Thin graceful fountain foliage 18 to 24 inches tall is deciduous. Small thumb size bright purple and white blooms are found hidden deep in the foliage late May. Cut some blooms and bring indoors to enjoy the wonderful scent of ripe plums. Needs full sun, sharp drainage, and summer drought. Zone 5-8 (9?)	\$6.00
<b>Iris japonica</b>	Native to Asia, Many (20 plus) small pale blue-lavender blooms, opening a few at a time, on a multi-branched stalk 18 to 24 inches. Needs afternoon shade and a loose humus rich soil where it will become a ground cover, great in the hosta bed. Cold areas grow in containers and bring in doors during deep freezes. Evergreen foliage shows freeze damage at 28 F, blooms early spring. Zone 8-9	\$6.00
<b>Iris pallida 'Dalmatica'</b>	(collected, cultivated before 1600) Vigorous tall bearded, flower stems 36' Fragrant blue violet flowers, grow as you would modern bearded irises. See bearded iris culture and care. Zone 3-9	\$5.00

## SPECIES CONTINUED

<b>Iris setosa 'Aaron's Blue</b>	(Lecomte '18) <b><i>New Introduction</i></b> Selected seedling from Species Iris of Greater North America (SIGNA) seed exchange. This iris is the only iris native to both Asia and North America requiring copious amounts of water during the growing season. Rich moist composted soils that are slightly acidic. Full sun in maritime areas, afternoon shade elsewhere. Very winter hardy, an old common name "Arctic Blue Flag" (I grow in the same soils and conditions as <i>Iris ensata</i> , Japanese iris) Aaron's Blue bloom stems 24-25 inches tall with near black Spathes. Zone 3-8	\$25.00
<b>Iris tectorum</b>	18 to 24 inches tall. Native to Asia. This woodland plant is happiest in a high filtered shaded area, or morning sun with afternoon shade, enjoys loose soil rich in humus. Large 4" violet flowers are freckled darker, a great addition for the hosta and fern bed. Zone 4-9	\$6.00

## SPECIES-X AND "PSEUDATA"

A cross between two or more different species of the iris world  
 Giving strength and cultural versatility  
 Grow in rain gardens, at the water's edge of a pond or in a very moist garden setting.  
 "Pseudata" is the name being given to hybrids involving  
*Iris pseudacorus* (blends) and *Iris ensata* (Japanese iris)  
 Zone (3?) 4-9

**SPECIAL NOTE: Many of these plants are *chartreuse* in the early spring, especially in the Pacific Northwest, very striking for the garden. They will green up by early summer; it all depends on your late winter and early spring sunshine and how strong it is.**

<b>Ally Oops</b>	(Borglum '02) 36" A presumed cross between a Siberian and <i>Iris pseudacorus</i> . This plant has the robust ease of growing like pseudacorus but minus the seed pods, no dead-heading. The large showy blooms are cream, heavily veined bright blue violet with light blue standards. Full sun to lightly filtered with loose rich moist soil, deciduous, very vigorous and hardy <b><i>Light chartreuse foliage-Blooms May</i></b>	\$10.00
<b>Antique Brass</b>	(Harris '18) " <b>Pseudata</b> " 48" bright gold yellow with a red overlay <b><i>Bright chartreuse foliage-Blooms June/July, New Introduction</i></b>	\$35.00
<b>French Buttercream</b>	(Harris '16) " <b>Pseudata</b> " 50"-60" Large round cream colored blooms very late in the season above the soft fountain foliage. <b><i>Bright chartreuse foliage-Blooms June/July</i></b>	\$25.00
<b>Holden's Child</b>	(Tiffney '88) 36" Second generation away from a wide cross involving <i>Iris pseudacorus</i> and an unknown gives a robust plant that is not invasive with seed. The dark red violet falls are topped with soft amethyst violet standards. Full sun with a loose rich moist soil, deciduous, very vigorous <b><i>Light chartreuse foliage-Blooms May</i></b>	\$10.00
<b>Okagami</b>	(Shimizu '08) " <b>Pseudata</b> " 40 to 42 inches, large 4-5" white blooms purple halo. <b><i>Bright chartreuse foliage-Blooms June/July</i></b>	\$10.00

## SPECIES CROSS “PSEUDATA” CONTINUED

<b>Roy Davidson</b>	(Hager '87) 36 to 42 inches tall with many 3-inch bright gold flowers in May Roy Davidson is much like one of its grandparents <i>Iris pseudacorus</i> . It can be grown in the water or a moist garden setting. But unlike <i>Iris pseudacorus</i> , Roy Davidson is not invasive with seed, very hardy, <b>Green foliage-Blooms May</b>	\$10.00
<b>Unexpected Surprise</b>	(Harris '18) 36" tall and wide. 'Gubijin' crossed to its self-gave a plant with violet blue blooms like <i>Iris virginica</i> only sterile so no deadheading. <b>Chartreuse foliage-Blooms May/June, New Introduction</b>	\$35.00
<b>Violet Swallows</b>	(Harris '16) 50"-60" Tall very robust upright foliage covered with many bright violet blooms, darker violet eyelash markings, style arms yellow. <b>Bright chartreuse foliage-Blooms June/July</b>	\$25.00
<b>Yasha</b>	(Shimizu '10) “Pseudata” 38 inches tall, Large 4-5” blooms are grape purple, very bright and showy in the garden, late bloom season, <b>Bright chartreuse foliage-blooms June/July</b>	\$10.00

## IRIS ENSATA

### (JAPANESE IRIS)

Iris ensata have been selectively bred from wild forms found in northern Asia, known as “Hanashobu” in Japan. Their cultural needs are very demanding, thriving in rich moist soils, if met they will reward you with a magnificent display of color approximately 2 to 3 weeks after Tall Bearded, Siberian, and *Iris laevigata* bloom. Peak bloom in our garden is the last two weeks of June, first week in July. Very good as a container plant for the patio, see container culture.

#### DESCRIPTION

Height, number of branches, and buds, were taken when the plants were three years old, and grown to my best ability. *Culture* has a *great influence*; please refer to the cultural sheet.

<b>F = FALLS</b>	Number of petals - 3F single, 6F double, 9-12F, peony form
<b>S = STANDARDS</b>	The 3 smaller petals of a 3F flower.
<b>STYLES</b>	The 3 female parts of the flower. Some flowers have multiples that can be most striking.
<b>CREST</b>	The flared end of the styles. Can be very large and showy.
<b>VEINS</b>	A color pattern when the veins are darker than the base color of the petals.
<b>RAYS</b>	A color pattern when the veins are lighter than the base color of the petals.
<b>SIGNAL</b>	The bright colored spear on all falls. Can range from saffron to bright gold.
<b>HALO</b>	The area around the Signal. Only some irises have a halo, it can be very note worthy.

**SEASON OF BLOOM**                    E – Early    M – Mid    L – Late    V – Very  
In general here VE start blooming first week of June VL first week of July.

<b>Amethyst Actress</b>	(Harris '09) 40", L, 9F, A mid to large flower opens amethyst violet and gracefully fading to near white by day three. 0-1 branch 2-4 buds	\$10.00
<b>Amethyst's Sister</b>	(Harris '12) 52", L, 9F, Blends of mid to dark amethyst surrounds blue halos 1-2 branches carry 3-6 buds	\$15.00
<b>Angelic Choir</b>	(Harris '06) 42", M, 6F, White self, multiple upright styles, 1-2 branches, 3-6 buds	\$10.00
<b>Artesian Spring</b>	(Harris '10) 48", ML, 6F, rich dark purple with deep blue undertones, faint blue blue rays. The multiple upright white styles are edged in blue, 1-2 branches, 3-4 buds	\$15.00
<b>Asian Festival</b>	(Harris '02) 54", M, 3F, mid blue violet F with a large white blaze stippled blue violet, mulberry S, upright styles are white with large flaring crest of blue-violet, 1-2 branches, 6-7 buds	\$10.00
<b>Avalanche Express</b>	(Harris '00) 44", M, 9F, Very tailored bone white, 1 branch, 3 buds	\$10.00

## IRIS ENSATA CONTINUED

<b>Banjo Blues</b>	(Bauer/Coble '05) 34", M, 6F, white veined blue, multiple styles are dark blue with white crests, 1-2 branches, 3-5 buds	\$10.00
<b>Bewitching Twilight</b>	(Harris '00) 41", M, 6+F, Very light pastel blue, style arms heavy cream yellow, 2-4 buds,	\$10.00
<b>Blushing Snowmaiden</b>	(Harris '00) 40", M, 9+F, white brushed rose, large flower, 1-2 branch, 3-4 buds	\$10.00
<b>Butterflies In Flight</b>	(Aitken '91) 48", L, 6F, Light blue violet, veined darker, dark violet styles 1 branch, 3-4 buds	\$10.00
<b>Caprician Butterfly</b>	(Marx, by Rodgers'85) 36", M, 6F, A classic pattern, white falls veined dark purple, dark purple styles, 1-2 branch, 5-6 buds	\$10.00
<b>Carol Johnson</b>	(McEwen by Whitney '11) Tetraploid, 32", ML, 3F, F pale blue veined darker, S plum purple, stunning!	\$15.00
<b>Cascade Crest</b>	(Aitken '88) 48", M, 6F, off white ground sanded pastel blue, 1" light blue band 1 branch, 2-3 buds	\$10.00
<b>Cascade Rain</b>	(Harris '08) 40", M, 3F, S: white edged red violet, F; white ground heavily freckled and washed bright blue, 1 branch, 3 buds	\$10.00
<b>Cascade Spice</b>	(Reid '89) 42", ML, 6F, White heavily freckled violet blue, ½" red violet edge, styles white tipped violet blue, 1-2 branches, 3-5 buds	\$10.00
<b>Celestial Emperor</b>	(Harris '11) 38", ML, 6F, Silver ground, wide red violet band and veins. Bright blue halos surrounding the signals on a large bloom. 0-1 branch, 2-3 buds	\$15.00
<b>Coho</b>	(Harris '05) 38", VE, 3F, Pink self with large standards a shade lighter in color long bloom season. 1-2 branches, 5-7 buds	\$10.00
<b>Columbia Crest</b>	(Harris '15) 50" L 6F Royal purple with deep blue violet under tones, Multiple upright styles with flaring crest, 1-2 braches, 3-5 buds	\$30.00
<b>Columbia Deep Water</b>	(Harris '13) 48", ML 6F red-violet with deep blue under tones, faint neon blue rays, 1-2 branches, 4-6 buds	\$20.00
<b>Dalle Whitewater</b>	(Harris '11) 48", L, 6F, White ground is heavily sanded mid blue violet. The multiple white styles are topped with river blue crests. 1-2 branch, 3-5 buds	\$15.00
<b>Dancing Waves</b>	(Payne '64) 42", ML, 6F, Blends of dark violet to mulberry purple, narrow white Edge, 2 buds, showy large flower	\$10.00
<b>Dirigo Devil</b>	(White '92) 44", L, 6F, Mid red violet splashed lighter, 1-3 branches, 4-6 buds	\$10.00
<b>Dragon Tapestry</b>	(Harris '12) 36", M, 6F, Dark wine red splashed on white, 1-2 branches, 3-5 buds	\$15.00
<b>Electric Rays</b>	(Aitken '90) 50", M, 6F, Dark violet with very distinctive neon blue ray pattern, 2 buds	\$10.00
<b>Embossed</b>	(Marx '56) 45", M, 6F, Light violet veined deep pansy blue, tufted purple styles are edged in white, 1 branch, 3 buds	\$10.00
<b>Evelyn White</b>	(White '08) 40", M, 6F, White with red-violet edges.	\$15.00
<b>Flamingo Waltz</b>	(Harris '14) 36", M, 6F, Medium pink self lightly ruffled	\$25.00
<b>Freckled Peacock</b>	(Harris '02) 54", M, 3F, White F. are heavily freckled red violet, White S Wire edged red violet, upright styles are white with large crest of powder blue, 1-2 branches, 6-7 buds	\$10.00
<b>Frosted Intrigue</b>	(Bauer/Coble '97) 36", M, 6F, Dark blue violet, few light blue rays shading into red violet edge, silvery light blue rim, tufted white styles, tipped violet, 1-2 branches, 4-5 buds	\$10.00
<b>Geishunka</b>	(Mitsuda) Reg. SJI 95, 24", M, 6F, large soft pink self, styles and flaring crest dark rose pink, 2 buds	\$10.00
<b>Hekiun</b>	(Ichie '89) Reg. SJI 92, 30", M, 3F, Blue edges fading to white at the center of falls, white rays, beautiful classic form from Japan, 0-1 branch, 2-4 buds	\$10.00
<b>Hime Kagami</b>	(Hirao '76) 36", EM, 6F, Pink self, 1-2 branches, 5-6 buds	\$10.00
<b>Honour</b>	(McEwen '01) 32", M, 6F, light pink veined darker, 2 buds	\$10.00
<b>Indigo Angel</b>	(Bauer/Coble '11) 36", M' 6F' Blue violet halo and veins, red violet edges, White rims, dark purple upright styles	\$10.00
<b>Jaciva</b>	(Harris '92) 42", ML, 6F Mid blue violet, 1-2 braches, 3-4 buds	\$10.00
<b>Japanese Plum</b>	(Harris '10) 38", M, 6F, A very unique velvety red violet color, 1-2 branches 3-4 buds	\$10.00
<b>Jewelled Sea</b>	(Payne '69) 36", M, 6F, Mid-violet with blue undertones white halo and rays white styles, with large crest edged blue violet, 1-2 branches, 3-4 buds	\$10.00
<b>Koto Harp Strings</b>	(Harris '16) 48", VL, 6F, Bright blue violet with sharp white ray pattern 1-3 branches, 4-7 buds	\$30.00

## IRIS ENSATA CONTINUED

<b>Lake Effect</b>	(Bauer/Coble '04) 36", M, 6F, Bright blue with lighter edges, tufted white styles are washed blue, 0-1 branch, 2-4 buds	\$10.00
<b>Lion King</b>	(Bauer/Coble '96) 42", M, 6+F, White ground edged and freckled red violet, 1-2 branches, 3-6 buds	\$10.00
<b>Little Bow Pink</b>	(Delmez '98) 38", E, 3F, Mid-size pink, 1-2 branches, 4-6 buds	\$10.00
<b>Love Goddess</b>	(Payne '66) 48", L, 6F, showy cream white blooms, large cream styles, 1-2 branches, 4-6 buds	\$10.00
<b>Maine Elegance</b>	(McEwen by Whitney '09) Tetraploid, 40", ML, 6F large 8-10 inch bloom, white with faint violet veins, light sanding around the signal, stunning!	\$15.00
<b>My Elisabeth</b>	(McEwen by Whitney '08) Tetraploid, 42", M, 6F large 8-10 inch bloom, mid blue violet, 1-2 branches, 3-4 buds	\$15.00
<b>Neptune's Trident</b>	(Harris '11) 38", LVL, 6F, Mid sized flowers of dark blue violet almost royal blue. 1-2 branches, 5-7 buds	\$15.00
<b>Night Angel</b>	(Aitken '96) 36", ML, 6F, Dark violet with blue tones, topped with multiple dark purple styles edged white, 0-1 branch, 2-3 buds	\$10.00
